HONORING THE LIFE OF BELOVED  
SHELBY ANN CARTER

**HON. DARIN LAHOOD**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2017*

Mr. LAHOOD Mr. Speaker, I rise today to honor the life of Shelby Ann Carter, a loving mother, daughter, fiancée, and friend.

In Wyoming, Illinois, our community sadly experienced a tragic loss of a young woman's

life on January 30, 2017. Shelby Ann Carter passed away from smoke inhalation during a fire which consumed her home. Shelby's final moments were spent in a successful effort to save the life of her baby girl.

In the midst of the fire, Shelby had the strength to save the life of her newly born daughter, Keana. Shelby acted heroically by strapping Keana into a car seat and dropping her out of the second story window, an act which ultimately saved her child's life. Strapped in the car seat, Keana safely landed in a pile of debris, where the emergency response teams found her. Keana was then rushed to the hospital and released with only a small burn, but otherwise unharmed.

Shelby graduated from Stark County High School in 2014. She was a bright student, who spent her time after school playing basketball. Shelby's classmates characterized her as a smart and friendly young woman who loved spending time with children. Her proudest moment was when she became a mother to Keana.

Shelby will always be in the hearts and minds of her community and friends throughout Central Illinois. I would like to commend her courageous actions and send my condolences to her friends and family. May God bless her in heaven.

OKAWVILLE HIGH SCHOOL 2016–17  
BOYS' BASKETBALL TEAM

**HON. JOHN SHIMKUS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2017*

Mr. SHIMKUS. Mr. Speaker, I rise to acknowledge the Okawville High School boys' basketball team upon finishing second in the

2016–2017 Illinois State Class 1A Basketball Tournament. This is a remarkable achievement for the Okawville coaches, teammates, and community as a whole.

The Okawville Rockets had an impressive year and an exciting tournament performance. The Rockets finished the regular season with a win-loss record of 32–4. By the end of the year, senior Noah Frederking led Okawville with the most rebounds in school history. Mr. Frederking also scored over 2800 points over the course of his high school career, making him the leading all-time scorer for Okawville and the entire Metro East area. The Rockets went on to win their regional games against Lebanon High School and Marissa High School. The Rockets followed that win by hosting two victories over New Berlin High School and Carrollton High School in their sectional games.

In their state super-sectional game, the Rockets faced off against Menden Unity High School. After falling behind by 8 points before halftime, the Rockets looked to their defense to carry their comeback. The Rockets did not allow Menden Unity to score a single basket from the floor throughout the entire second half of the game, and rallied for an incredible win to take them to the championship game.

Led by Head Coach Jon Kraus and Assistant Coaches Ryan Heck, Mike Frederking, and Jackie Smith, team members were Payten Harre, Josh Madrid, Caleb Frederking, Will Aubel, Logan Riechmann, Wyatt Krohne, Luke Hensler, Shane Ganz, Drew Frederking, Noah Frederking, Tyler Roesener, Payton Riechmann, Lane Schilling, and Kirklen Meier. Managers Max Aubel and Jarad Barnes also assisted the team throughout its season and playoff run.

I look forward to watching their future successes in both their academic and athletic pursuits and wish them all the best in these endeavors.

Mr. Speaker, I congratulate the Okawville Rockets on an impressive season, and I commend them for making the 15th district of Illinois proud.

IN RECOGNITION OF THE  
DOWNRIVER COMMUNITY CON-  
FERENCE ON THE DATE OF ITS  
40TH ANNIVERSARY

**HON. DEBBIE DINGELL**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2017*

Mrs. DINGELL. Mr. Speaker, I rise today to recognize the Downriver Community Conference on the date of its 40th Anniversary. The DCC has provided workforce training and job resources to Downriver for decades and has been instrumental in improving the quality of life for the area's residents.

Founded in 1977, the Downriver Community Conference is an organization dedicated to promoting enhanced economic growth and well-being through its workforce training, economic development and additional community services available to southern Wayne County and its residents. The DCC has been key to helping increase the quality of life while working to preserve jobs and attract a skilled workforce through its efforts. In 2003, the DCC successfully supported a proposed takeover of

Great Lakes Steel operations in Ecorse and River Rouge, a move that saved hundreds of jobs in the community. The DCC also coordinates emergency services across member communities, and has supported cleanup efforts at the Detroit International Wildlife Refuge. These multifaceted operations undertaken by the DCC have been critical to attracting a talented workforce to the area while making southern Wayne County a desirable place to live.

The DCC has proven to be an effective advocate on behalf of Downriver, and its work has produced tangible results that make a real difference in the lives of individuals in participating communities. Through its affiliation with Michigan Works!, the organization has been critical to helping provide individuals with the skills they need to succeed in trades and other in-demand fields. Additionally, the organization's coordinated approach makes it eligible for federal and state grants that would normally be unavailable to individual communities. The DCC's ability to leverage the unique strengths of the Downriver community has made it a model in effective and sustainable workforce and community development efforts.

Mr. Speaker, I ask my colleagues to join me in honoring the Downriver Community Conference and date of its 40th Anniversary Dinner. The organization has played an integral role in the growth and development of southern Wayne County and the surrounding areas.

FIRST RESPONDER APPRECIATION  
DAY

---

**HON. JEFF DENHAM**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2017*

Mr. DENHAM. Mr. Speaker, I rise today to recognize the inaugural First Responder Appreciation Day on April 1, 2017, in Ripon, California.

Policemen, firefighters, and emergency medical servicemen play a crucial role in our local communities. In Ripon, they work diligently to serve the city and surrounding areas, improving the lives of those they have vowed to protect. Their job is not always easy and often not safe, but it is one they selflessly perform nonetheless. For this reason, First Responders deserve our unwavering recognition.

The Ripon City Council acknowledged this on November 8, 2016, when they passed a resolution to establish the first Saturday in April of each year as First Responders Appreciation Day. Dedicated to honoring all First Responders, past and present, this annual celebration serves as a reminder that we must not forget those who keep us safe.

I applaud the City of Ripon for honoring our local heroes and their incredible service. This Saturday is the first of many celebrations that will focus on the daily sacrifices performed by these brave men and women.

Mr. Speaker, please join me in honoring all First Responders and commending the city of Ripon for implementing First Responders Appreciation Day.

SMITHSONIAN WOMEN'S HISTORY  
MUSEUM ACT

**HON. CAROLYN B. MALONEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2017*

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, as we conclude Women's History Month, I am pleased to introduce the Smithsonian Women's History Museum Act along with Rep. ED ROYCE and 128 bipartisan cosponsors.

In November 2016, a bipartisan commission that was created through a bill I authored submitted its recommendations to Congress about establishing a women's history museum in our nation's capital. The Commission unanimously said in its report that the U.S. needs and deserves such a museum to properly tell our whole history. In fact, in the entire country, there is no comprehensive museum solely devoted to women's history. Women make up half the population, but are only depicted in about 10 percent of history book material, about 5 percent of national monuments and a fraction of the hundreds of statues on Capitol grounds. By not telling or preserving the stories of women who shaped our country, we are in danger of losing them completely. And that would be a great loss to us all.

This bill has been decades in the making and it is based on the excellent American Museum of Women's History Congressional Commission final report, which was the result of 18 months of thorough study. The bill would establish a Smithsonian museum dedicated to women's history prominently located on the National Mall. It calls for the Smithsonian Board of Regents to designate a site for the museum within six months of enactment, and the cost of construction would be raised privately. The museum will be governed by a 25-member Advisory Council appointed by the Board of Regents.

I am honored that so many of my colleagues on both sides of the aisle have joined me in this historic effort because honoring women's history should not be a partisan issue. All Americans—men and women of all ages—deserve to learn and be inspired by the stories of the women who contributed to our country's history.

I am always struck by the story of Sybil Ludington. Everyone has heard of Paul Revere's ride, but few know that Ludington, the daughter of a colonel in the Continental Army, was just a 16 year old girl when she rode through the night an even greater distance than Revere to warn her father's troops about the approaching British forces.

I have worked on this issue for many years and believe that establishing a women's history museum on the National Mall is long overdue. I hope that all of my colleagues will join me in this important effort to create an enduring tribute to women's history for generations to come.

HONORING FRANK BARBARO

**HON. J. LUIS CORREA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2017*

Mr. CORREA. Mr. Speaker. I'd like to take a few moments today to honor one my con-

stituents, Mr. Frank Barbaro, for his decades of incredible service to Orange County.

Mr. Barbaro was born in Detroit, Michigan and arrived in California in 1954. From a young age, it was clear that Mr. Barbaro was bound to be successful. By the time he was a teenager, Frank hosted his own radio show which aimed to find employment opportunities for young people.

After graduating from Garden Grove High School, Mr. Barbaro went on to graduate magna cum laude from the University of Southern California and then earn his law degree, also from USC.

As a lawyer, Mr. Barbaro distinguished himself among his peers in several noteworthy cases. Mr. Barbaro won 11 multimillion dollar verdicts for his clients.

Mr. Barbaro began his career in politics in 1977 as Chair of the Democratic Party of California. In 2001, Mr. Barbaro was asked by his colleagues to serve as chair once again which he did until his resignation in 2013. Mr. Barbaro also served as the chair for the Orange County campaigns of President Carter and President Obama.

During his time as party chair and successful attorney, Frank's colleagues praised his ability to inspire and work with others. Above all, Mr. Barbaro sought to be inclusive and bring people together despite their differences.

Mr. Barbaro also made helping others a personal goal, such as when he organized the "Front Line Defense Fund" which delivered food to the United Food and Commercial workers during their strike.

Mr. Speaker, Frank Barbaro is an example to all of us of the tremendous importance of hard work and dedication in service to others. I am honored to recognize the accomplishments of Mr. Barbaro and the positive impact he has made on Orange County.

CONGRATULATING ANDERS BJORK  
ON BEING NAMED A FINALIST  
FOR THE HOCKEY HUMANI-  
TARIAN AWARD

**HON. JACKIE WALORSKI**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2017*

Mrs. WALORSKI. Mr. Speaker, I rise today to congratulate Anders Bjork, a junior at the University of Notre Dame, on being named one of five finalists for the 2017 Hockey Humanitarian Award.

Each year, the Hockey Humanitarian Award recognizes college hockey's "finest citizen." Recipients of this award are individuals who have made significant, long-lasting contributions to their communities in a true, humanitarian spirit.

Anders has been a member of the Fighting Irish Men's Hockey team since his freshman year at Notre Dame. But for Anders, his life here in South Bend is about more than being a student athlete. He is part of this community and plays an integral role in making it better. His dedication is especially clear in his experience working with children in need at a local elementary school.

Shortly before last season started, Anders began volunteering in a third grade class at Perley Fine Arts Academy after his coach encouraged the team to meet new community
